### Testimonials:

#1 My son Bryce has participated in Youth Basketball Program since 2003. I would highly recommend the YBA program to parents wanting to have a competitive, educational and fun AAU experience.

**Harold Pressley Sacramento Kings 1986 – 1990 Villanova 1985 NCAA Championship Team**

#2 YBA do things the right way and I am proud to be a partner for the summer tournaments. I hope this relationship will continue to grow and help many kids along the way.

**Tariq-Abdul-Wahad NBA Sacramento Kings, Orlando, Denver and Dallas**

#3 I strongly recommend YBA training and competitive teams for parents of all ages.

**Keith Moss - Saint Mary University Asst. Coach (Former NBA Professional Sports Agent)**

#4 I'm grateful to YBA my boys are learning a life lesson which they are learning faster in a basketball setting and who knows, might not have ever learned. The coaches are outstanding in their knowledge of the game and in their ability to teach youth. YBA not only trains good basketball players, but also develops men of character.
